Emily - CentreStage Student

Welcome

The future of Geelong theatre is just a small step away...

After experiencing huge success each year, our program has been designed to engage young people in all facets of performing arts by offering a wide range of opportunities and experiences to develop skills and expose young performers to various aspects of the industry. In this document we will outline the CentreStage Performing Arts Academy; otherwise known as CPAA.

At CentreStage we're always looking for ways to support emerging young performers to develop their skills and participate in musical theatre productions. In 2021, CPAA worked with ~250 emerging performers to expand their skills and hone their talents. CPAA was established in response to overwhelming demand from the families of young performers after CentreStage attracted over 400 young people to audition each year for our major musical productions each year and was only able to offer a small handful of positions.

As a member of the CentreStage Performing Arts Academy (CPAA), you will have the opportunity to learn new skills, develop a performance portfolio, participate in a range of musical theatre performances and experiences and build an amazing network of theatre friends.

We would like to welcome you to the CentreStage family and look forward to your involvement in our exciting Performing Arts Academy.

About Company

V

Our Vision

Small opportunities are often the beginning of great enterprises. At CentreStage we value new ideas, innovative team members and outcomes that will drive our team to become a truly iconic organisation that benefits the entire Geelong community.

M

Our Mission

CentreStage is driven by a desire to provide access to the Arts, through musical theatre, to as many people in our community as possible. As an organisation, we support the inclusion of all people and offer opportunities to various community groups to access the arts and attend our productions through support of charitable organisations. This includes local community services providers, such as Gen U, supporting people with disabilities and people in aged care facilities to attend productions, along with local schools, clubs and community partners.

We are the proud winners of the 2019 Geelong Business Excellence Awards for Promoting Healthy Workplace and 2020 Small Business of the Year Award. This is in response to our social responsibility, mental health processes and amazing staff who support our students and parents.

About the Program

CentreStage Geelong has always recognised the need for an educational platform to cater to both the Geelong and Australian Theatre Market. Our aim is to provide outstanding and measurable learning outcomes designed by some of Geelong's best educators and performers.

The Academy of Performing Arts is designed to target the needs of key age groups for young people from the ages 4-18. The program has been designed to engage youth and adolescents to further not only their performance skills, but additionally their theatre etiquette, practical skills (costumes, make up etc) and provide opportunities to work alongside some of Australia's leading theatre professionals.

Throughout the four term tuition program, which runs concurrently with school terms, students, will have the privilege of visiting up to two large scale musicals produced by CentreStage and performed by a cast of talented adults in Geelong's local amateur theatre community.
